Welcome to Online Migration - Australian Immigration Specialists

Online Migration offers cut-price migration services by tailoring a package that suits you. We specialise in Australian Immigration services. Our MARA registered migration agent can help you with all of your migration enquiries MARN 0747146 MIA 3048

You may be completing your own visa application and need to ask a question, you may want to buy a DIY migration kit that steps you through the visa application process or you may want to take the stress out of the Australian visa application process and let us do the whole thing for you.

Visit our Online Store and decide which Australian visa package suits you, your needs and your budget! We can assist you with all your Australian visa requirements such as skilled or family migration, working holiday visas, student visas, employer sponsored and business visas. We can offer assistance with all types of visas.

For those who have completed their Australian visa application Online Migration can help - become a member of our Lifestyle Services. This members-only section of our website contains everything from how to obtain a tax file number, to information on schools, how to move your pets, removal companies, where to find furniture, supermarkets, explains about Australia's public healthcare system in addition to arranging meet and greets at the airport and arranging short-term accomodation. We also supply check-lists for pre and post arrival.

This section has been created by migrants for migrants and can offer you help and assistance when relocating to Australia.

You can arrange on online consultation with a Lifestyle Services consultant. It will help you to prepare for your life in Australia and act as a guide during the early days when you arrive down under!
